*This collection has a truly international flavour, and is a combination of contemporary and traditional design elements which incorporate the Chris Winspear flair, for women who enjoy wearing unique pieces and being one of a kind.*

*The "Bella Signora" collection is available in different metals including 18 carat white gold, rose gold and yellow gold, as well as platinum with diamonds, blue and pink sapphires and various other diverse gem stones.*

*Prices are an indication only and are subject to change.*

*Prices are dependent on stone availability, US\$ exchange rate and ring size. Please note that images are a computer representation, and the finished / manufactured product may vary.*
